

A Unique Gift Idea . . . a Special Memorial . . . the NEADS Name-a-Puppy Program

With a \$1,300.00, tax-deductible donation to NEADS, you can name one of the new arrivals entering the Laura J. Niles Puppy Nursery and Early Learning Center at NEADS. Pups will live at the Center until they are 16 weeks old, when they will be placed in foster homes or in the Prison PUP Partnership Program, before returning to NEADS for advanced training.

You will receive photographs and updates throughout the puppy's socialization and training, be notified when the dog is matched with a deaf or disabled human partner, and receive an invitation to the graduation of person and Assistance Dog.

Name a puppy. Change a life. It will change yours, too!

GUIDELINES

Names should not sound like basic commands, such as "no," "down," "sit." Be creative, but respectful of the pup and its future owner. ~ The names listed above will all be considered equally by NEADS. ~ **Your donation will name one puppy only.** Please understand that not all puppies have the right temperament or aptitude to become Assistance Dogs. Pups that do not complete the NEADS training program are placed in loving homes as pets. ~ Those who name puppies do not own or retain any ownership rights to the puppies. ~ Funds donated to name a puppy can not be restricted for a specific client or Assistance Dog discipline (i.e. *Hearing Dog, Service Dog, Canine for Combat Veteran*) as the dogs must mature before determining their particular area of strength. ~ ***Should a puppy not complete the program, funds will be redirected to support an Assistance Dog team in the next graduating class, and the sponsor will be recognized as such.***
